***WE ARE COMMITTED TO CRAFTING EVERY PRODUCT TO EMPOWER PEOPLE  
TO GET THEIR BEST WORKOUT, EVER.***

***OUR VISION***

To be bold, unapologetic and deliver great fitness product to a great fitness community.

***OUR MISSION***

To challenge the status quo in the functional fitness sector.

To give the best equipment at the best price for the user.

"I'm really excited to be representing this challenger brand Half Human. And over the coming months, I'm going to be sharing and giving workouts on all of the pieces of Kit that they have. The Air Ski, the Bike Erg, the curve runner, and the rower."
